

PHILOSOPHICAL COUNSELING | RATES & FEES

FEE PLANS

Initial consultations are *free-of-charge* and are meant to help us (and you) assess whether or not our philosophical counseling services will meet your aims/goals and needs. If services are obtained, a one-time retainer fee of \$50 will be collected up front to cover basic set-up/administrative costs. Further, 1 of 3 different fee plans can be adopted:

- **PLAN A:** Hourly Rate (\$40/hr. - \$50/hr.)
- **PLAN B:** Session Flat Rate (\$70/session - \$90/session)
 - A typical counseling session runs 1.5 – 2hrs.
- **PLAN C:** Monthly Flat Rate
 - Est. @ 2.5 – 3 hours/week (10 – 12 hr./mo.) = \$420/mo. - \$540/mo.
 - Est. @ 2 - 2.5 hours/week (8 - 10 hr./mo.) = \$350/mo. - \$450/mo.
 - There may be some weeks that the total hours net out at more than this and some that they net out at less. If the total time ends up being significantly lower or higher than rough estimate, the flat rate amount can be revisited/adjusted accordingly moving forward, based on a revised agreement between the counselee and counselor (as applicable).
 - Est. @ 1.5 - 2 hours/week (6 - 8 hr./mo.) = \$280/mo. - \$360/mo.

**Philosophical practitioners in the field of philosophical counseling can take two forms: practitioners that are referred to as 'philosophical counselors' and practitioners who are referred to as 'philosophical consultants.' The variance in rates above reflects these distinctions. Visit our [philosophical counseling page](#) for greater detail.*

Payments are typically made at the close of each service (for Plans A & B), but can be made bi-monthly or monthly, if desired. Clients who opt for Plan C will be invoiced monthly. Graduated payment plans can also be made available for all clients as needed. For individuals experiencing financial hardship, we also offer **sliding scale rates**. Please be sure to inquire if you feel you might qualify so that we can provide you with the necessary intake form to determine eligibility and reduced rate.

PAYMENT OPTIONS

Clients can pay in one of three ways: cash, check, or debit/credit card (on-line).
